

Children's Advocacy Center of the Bluegrass COVID-19 Policies and Procedures

(as of December 17, 2021)

As we continue to navigate the ongoing COVID-19 pandemic, we will periodically review and update our protocols to ensure the health and safety of CACBG staff, clients, and community partners. We will follow local, state, and federal health guidelines, and continue to receive input from the medical professionals with whom we work.

- If you are experiencing COVID-19 symptoms or feel ill, we ask you to reschedule your appointment with us.
- If you have tested positive for COVID-19, or have been exposed to someone who tested positive for COVID-19 and you are not vaccinated, we ask that you reschedule your appointment.
- Masks are required at CACBG, regardless of vaccination status.
- Upon entry to CACBG, we will perform a temperature check and ask you to fill out a brief COVID-19 questionnaire (questions listed below).

Thank you for your commitment to keeping the staff, clients, and community partners of CACBG safe!

COVID-19 Questionnaire:

- Do you feel ill today? y/n
- Do you have a new cough unrelated to allergies? y/n
- Do you have new shortness of breath? y/n
- Do you have new sore throat unrelated to allergies? y/n
- Do you have vomiting or diarrhea? y/n
- Have you experienced a loss of taste or smell? y/n
- Have you had any fever (before taking fever reducing medicine) in the last 24 hours? y/n
- Are you isolating or quarantining because you may have been exposed to a person with COVID-19? y/n
